**INTRODUCTORY COMMENTS**

Application No. 10/664,581  
Supplemental Communication dated September 7, 2007  
Supplemental Communication to Record Substance of Interview

Docket No.: 283\_381

**REMARKS**

This is a supplement to the communication to record substance of interview filed September 5, 2007. A telephone interview was conducted September 5, 2007, between Examiner St. Cyr and applicants' representative George S. Blasiak to discuss the final Office action dated March 7, 2007.

Further regarding the interview of September 5, 2007 in which the applicant consented to an Examiner amendment to cancel Claims 29-35 to expedite an allowance, and wherein the Examiner stated that the application would be allowed on such cancellation, it is believed that no fee is required where an applicant consents to an Examiner amendment made after expiration of a shortened statutory period for response but less than six months from a final Office action. During the September 5, 2007 interview the Examiner indicated that the Examiner agreed that no fee would be required for entry of the consented-to Examiner amendment.

Nevertheless, if such a fee is required applicants hereby consent to such a fee. The Commissioner is hereby authorized to charge any fees associated for entry of the Examiner amendment of September 5, 2007 to Account No. 503577.

Accordingly, in view of the above amendments and remarks, applicants believe all of the claims of the present application to be in condition for allowance and respectfully request reconsideration and passage to allowance of the application.

If the Examiner believes that contact with applicants' attorney would be advantageous toward the disposition of this case, the Examiner is herein requested to call applicants' representative at the phone number listed below.

Application No. 10/664,581  
Supplemental Communication dated September 7, 2007  
Supplemental Communication to Record Substance of Interview

Docket No.: 283\_381

The Commissioner is hereby authorized to charge any additional fees associated with this communication or credit any overpayment to deposit Account No. 503577.

Dated: September 7, 2007

Respectfully submitted,

By
